APPRAISAL REPORT
REPLACEMENT VALUE FOR INSURANCE PURPOSES

Dining Table:
Labeled American Walnut Six Leg Concertina Action Drop-leaf
Table- Manufactured by; Bent & Gower- 206 E. Madison St.
Chicago, Illinois. 9'11½"L X3'8"W X 2'4"H. Seats 12.
Circa 1866-1876.

This table has a 4½" center unit, three 9½" leaf inserts
each side (six total) extending the table length.

The hinges and latches on this table have been removed in
the distant past and replaced.

The table has been completely restored and refinished lately
by; Museum Quality Restoration Services- 7402 Prodan.
Huntington Beach, California. Tele: 714-848-9444. A very
fine job.

Replacement value- \$3,000.00

Replacement Value: I have this day carefully examined the above
described table and estimated the value for insurances replacement
in this area. The statements herein continued are made to the best of
my knowledge and belief, based upon my research of the present
comparable item for replacement.

This appraiser has no past, present or contemplated future interest
in the item listed which might prevent a fair and unbiased appraisal
and anticipates no compensation contingent upon the value stated in
this appraisal report.
