

Hi Mark,

I just wanted to thank you for the beautiful job you did on our modern table. We wanted the edges glued down (a difficult job because of the angles of the table), and we were thrilled when you told us you took care of the edges AND took out the scratches on the top AND filled in the 2 chips on the sides. We weren't sure if the scratches could come out because of the high gloss lacquer finish but you did it. You polished the top and the shine is amazing. Our table is beautiful, and the quality of your work is outstanding. Feel free to use this letter on your website and have future clients contact me if they need to.

Sincerely,

Stephanie Kunz
